“ I was so saddened to hear of Jason's passing. I will miss seeing him at the Banner reunions. He was always so happy to see everyone, and I will always remember his hugs and kisses. My prayers are with all of you at this time.

“ I am sorry to learn of Jason's passing. I enjoying having him in Youth for Christ Club after school at Cappers. I also counted it a privilege to speak at his graduation. I just learned of Jason's passing while at a Youth for Christ banquet momments before I spoke from people who attended church with him. I was thrilled to know he is with Jesus, yet sad to think that he will not be there at the Y to give me a High Five anymore, or talk about hockey games! Jason was a young man that could steal your heart once you got to know him. I know you will miss him, but never forget that he loved his family dearly and that he is home with his Savior. May you know the peace of Jesus during this time.

“ I have known Jason over 9 years and considered him a friend. I work at the downtown YMCA and I was stunned to hear of his death. I know he is in a better place, I know he is no longer in pain and can walk on two feet and be understood when he speaks. But my selfish heart will miss his presence and that ornery boyish smile. I will pray for his mom and grandma that you will find comfort in his memories. All my daughters, husband and I extend our sincere condolences.
