September 20, 1961 - September 22, 2024

Jean Marie Smith, Topeka, Kansas, passed away peacefully Sunday, September 22, 2024, two days after her 63rd birthday.

Jean was born September 20, 1961, in Topeka the daughter of Carvan G. and Rosalia "Sally" Gudenkauf Smith. She graduated from Assumption Grade School in 1976 and Hayden High School in 1980. She was a hard worker even with the limitations of her disability. She worked at Long John Silvers in North Topeka from September of 1980 until March of 1983 when she accepted the job of receptionist at Assumption Catholic Church. When the Assumption Church office closed in 2013, Jean became the receptionist at Catholic Charities Topeka office until 2017 when she transitioned to Corita's Corner Sandwich Ministry, continuing to feed those in need. From January of 2020, until her recent illness, Jean was employed by the Pad Restaurant in North Topeka. Along her journey she made many friends and was always happy to share a smile.

Jean has joined her parents and brother, Thomas L. Smith, who arrived in

Heaven prior to her entrance.

“ To the Family, My brothers, sisters and I are so very saddened to hear of Jean's sudden passing. Jean and I kept in touch through texts, as she would fill me in on my friends she ran into at the Pad, or with kind words when she remembered our Uncle John (Rossiter) or our parents on the anniversary of their deaths. Her last message to me was to remind me that we all had two ornery Irish relatives watching over us. :-) We all have fond memories of Jean when she worked at Assumption Rectory with our mom, Maureen Lane, in the 90s and the 00s. Always kind, always helpful, always with a smile on her face, and a memory to share. Her presence on earth was a gift to us all. I trust that she is rejoicing in heaven with all the friends who went before her. May God's grace, and memories of Jean, bring you all comfort.

“ To the Family, so sorry for your loss. Jean was always so friendly and was always the first to say Hello and ask how things were going. Whether our paths crossed at Church, a ballgame, or lunches at The Pad. Always enjoyed visiting with her every time we seen her. She always gave us trouble about getting her Dr. pepper from the Card Game at the St. Matthew Fall Festival. She will be missed. Rest in Peace!

“ To Jean's family, I am so sorry and quite surprised that Jean passed away in the quick manner she did.

I originally met Jean while volunteering at Catholic Charities in 2016. She was very dedicated to her Catholic faith and was always about helping people. Jean never met a stranger. I provided transportation for her several times and she always, always ran into someone she knew and would introduce them to me.

As both of us are Hayden alumni we enjoyed going to Hayden football games. She loved the Royals also and on a few occasions we attended games to cheer them on. I am sure she is rooting them on now in heaven as they won their wildcard game yesterday. Other of Jean's Catholic Charities comrades joined us on more than one occasion to visit Royal Stadium. We even ventured once to a Omaha Storm Chasers game.

Jean loved her family, she especially doted on her many nieces and nephews. She always had them in mind for some memento or appropriate gift that would fit just that individual.

Jean had a great memory for detailed information. She was your family's historian. Whatever will you do now to keep up the family statistics ?

Continued prays for your family. I know Jean is enjoying the company of those who left before her. She is well and carefree.

Sincerely,

Eileen Livingston

“ *Im so sorry for your loss. Jean was an amazing, kind and nice person. My oldest daughter was her after school helper for many years handing out food at the Rectory window. She was a ray of sunshine to all that knew her. She will be so sorely missed.*

“ I met Jean for the first time down at Assumption Church. She frequently called upon my son Jason to serve Mass. she was a big help when carnival time rolled around and once again when I need help for something special at the school. As we often visited the Pad she grew fond of Ruby and Abram my grandkids often times buying them a frosty or slipping them money to put in their piggy banks. She’s touched plenty of people and we often “gossiped” about people we both knew. God gained one special angel. RIP my friend. ❤️

“ I met Jean while working together at Catholic Charities and there our friendship began. She always brightened my days. We were both fortunate to have grown up in close knit families and enjoyed talking about them and sharing memories. Each year she bought a Royals yearbook for my brother with Downs Syndrome because she knew he was a huge a Royals fan like she was. Her early morning texts with pictures of beautiful sunrises and lots of emojis taken on her scooter rides always started my days off right. She inspired me with her positive, joyful and grateful attitude despite the health challenges she faced. I always looked forward to celebrating her birthday month with her. I will miss her laughter and stories so much. Jean and her family are in my prayers.
