“ Rick, Jan, Kim and families: I was sorry to hear of the loss of your mother. It has been a long time since I saw you or her, but as a family member I have thought of her over the years. Your grandmother was my great aunt and she is also missed. As we grow older, we lose too many of those dear to us. My father, Dorris Leffler, also of Newton, also sends his regards and sympathy. He is now 96 and only has a couple of cousins left. Feel free to get in touch with me if you need family information or wish to know what is going on in Newton. I would love to see you if you come this way.
