“ *Dear Joe,*

It has taken me a while to write this, as Jeanne's death and the sorrow of your family has left me somewhat speechless with my own sadness. Jeanne was a second mother to me in so many ways and I doubt she really knew just how important she was to me as a child. Not only was I blessed with the friendship of my beloved Shannan at such an early age, but I was also blessed with Jeanne. Jeanne treated me with so much motherly care and regard that I often felt as if I was one of her daughters. God blessed me much through Jeanne and I am forever grateful to her for her kindness toward me. I am praying for you and your family as you mourn her loss.

Peace in Christ,

“ Dear Joe,
Although we did not know Jeanne well, we are grateful that we met and enjoyed her companionship on our 1990 trip to Guatemala. It was always a pleasure since then when we turned up at the same church events and, of course, we remember your both having dinner at our home when Father Salvadore visited. We will treasure the memory of Jeanne's graciousness and her wonderfully wicked sense of fun. Recently we read these words, "Those who live in God never see each other for the last time." We hope in their comfort for you.
