“ Jeff was our neighbor at the lake. We had many good times and lots of laughs both on and off the water. He became part of our family, youngest daughter called him her lake grandpa. God has a way of bringing people into each others life. No more pain Jeff. You will be missed as a friend and neighbor.

“ My sincere condolences to Jeff's family. Jeff was my friend for the last 40 years plus some. I always enjoyed his company. We laughed a lot together! He painted my house and when he got to the front of the house, one color got mixed up with another, so he just mixed them together! At first, I wasn't so happy about that, but it turned out great and people still ask me what color is that? I say it's an original, a Jeff Leweke color! He made it work. His talents on the water were incredible. I had a picture of him were it looked like he was walking on water. He enjoyed living out at Pomona so much. I wish it would have lasted longer for him. Rest in Peace, my friend. I'll miss laughing with you.
