“ *I will never forget that wonderful lady Miss Jerry. With all the up's and downs she went thru. She knew how to handle them all. She was always pushing to learn more while at the same helping others to learn too. She was always telling everyone about her wonderful family that she loved so much. I will always miss her and she will have a special place in my heart . Peggy*

“ I remember spending many days at Jerry and Elders house when I was younger. They may have even got a little tired of me hanging around but Elden and Jerry were very welcoming and great folks. I still look forward to any chance I get to see the kids. I will miss Jerry and Elden.
