“ Seem a long 10 years "I love ya-abouta ya the way I feels for cha but we rarely saw one another- in my father's house there are many mansions " remember that time that hispanic chick attempted to destroy us on the highway". Then I sat my cola down and wandered around at my job till ya came in and got me- what was her name it was like a man's but she was a woman who hated ya over a man."No fury like a woman scorned and she was so,scorned " We love TLC band member last name Lopes and some pronounce this Lopez.
