

Jett Meier

October 31, 2001 - November 21, 2020

Jett Elijah Meier, 19, Topeka, Kansas, passed away Saturday, November 21, 2020.

Jett was born October 31, 2001, in Topeka to Eric and Becca Anderson Meier.

Jett was born with a spark in his eye and a sense of knowing determination. He drew people to him with his pure and good heart and ornery, contagious smile. Jett, among many things, loved the mountains of Colorado, especially riding ATV's and fishing with his family. He was generous, a stranger to no one, and loved to make people laugh. He was a protective and loving big brother to his little sister. Jett touched many lives and people were better for having known him.

Forever grateful to have shared Jett's life are his parents, Eric and Becca; his sister, Ellie Meier; grandparents, Mike and Sherry Meier and Robert "Andy" and Carolyn Anderson; as well as many aunts, uncles, cousins and friends.

The family understand hundreds would show support if open services were offered, however, due to COVID-19 restrictions, the funeral will be private. Jett's funeral will be streamed live on the Kevin Brennan Family Funeral Home Facebook page at 1 p.m. Wednesday and will remain available.

Memorial contributions may be made to The Epilepsy Foundation, sent in care of Kevin Brennan Family Funeral Home, 2801 SW Urish Road, Topeka KS 66614, or go to https://www.epilepsy.com/make-difference/ways-give?gclid=CjwKCAiA8Jf-BRB-EiwAWDtEGkRrnl-b0gxX_W3999rpu1fjtdfOiLmsR7HjGmBwuF6kvqgPWIC37hoCOrQQAuD_BwE

“ I was so blessed to be Jett’s kindergarten teacher. Some kids just stick with you. Jett was one that has been and will always be in my heart. There was just something about him. My main memory from kindergarten was when he put his backpack on the back of his chair. I told him that probably wasn’t a good idea. What would happen if he tripped? Being Jett, with that amazing smile he said, “teacher it will be okay. “ Well..... he got up, got his foot stuck and fell into one of my shelves. As I am running to him, he got up and said, “ teacher you were right. “ We hurried to the nurse. He left to go get stitches. To this day, I use that story with my new class. The next memory I have was just a couple of years ago. I was at the high school and I walked by him. I didn’t realize it was him. He said. “ Hi Mrs. Sanders. Do you remember me? “ I looked at that smile and knew right away. I said to him, you grew. He smiled. I think I came to his shoulders. Jett was a great kid and had such a loving heart. He will be greatly missed.

Becca, Eric and Ellie, my heart breaks for you. You are all in my prayers.

“ Jett is one of my cousins that I’ve grown up with since birth. We’ve always spent time together at family functions during almost every Thanksgiving and or during our summer get togethers in Branson. Growing up we would team up to play pranks on our younger siblings together and we’d ditch them to go climb trees, play in the playhouse, or just run down to the basement in their old house where we could do a handful of activities. Some of my favorite memories include; a handful of bonfires, kayaking on Lake Taneycomo in Branson, and looking for “moonshine” in a back field that didn’t exist but was just a made up fun western adventure for us.
