“ *I first worked with Jetta in December 1984. I admired her gracious personality and her beautiful appearance. Later I had the opportunity to be her "apprentice". She taught me so many important things and did so in a very encouraging way. As if that was not enough, she also reported to management that I was an apt pupil-I really appreciated that. Although I did not see much of her after she retired, I continued to think of her often and valued my friendship with her. My sympathy to her family. She will certainly be missed.*

*Although so many years have passed, I remember Jetta and the time we spent with her, she was so kind to us. Your parents were always welcoming to our church group as well as our classmates and I have many fond memories of them. My prayers are with you and your family. In sympathy, Joanne Smelser (McCarter)*
