“ *Jewell was my mother's first cousin, and we talked on the phone several times in the last year or two. He told me things about my Grandmother Spillman that I didn't know, and I really appreciated his stories. My condolences to his family. Sincerely, Patrick Healey*

“*Jewell was a great friend of my father who has passed. They spent a lot of time together.
I knew Jewell also and after my father’s passing Jewell had I kept in touch by phone.
He and I shared our common views and our love for our family and our cats.
I have a cat named Baxter and when Jewell would call his first comment was always “ How’s Baxter”.
He was from the generation of people that were patriotic and loved their country.
Our sincere condolences to his wife, family, and friends.

Condolences to the family. Jewell was one of a kind. I often think of days gone by at KDOT and the KDOT family. We didn't know how lucky we were to have the leaders we had.

“*Jewel and I never met in person, we met on line due to our Military experiences! I took an instant liking to him because he was ALWAYS a happy guy and a100% unapologetic patriot! He ended EVERY conversation with Semper Fi and I will miss that!
He was a wonderful man and a joy to talk to!
My sincere Condolences to his lovely Bride and their family!*
