“ *Julie and Jennifer. I'm so sorry and shocked to hear about your mom's passing. It has been many years since we all have seen each other but they are fond memories. Words can't express what your mom did for our family during both Phyllis and Ootie's bouts with cancer. She was a friend, an educator and just somebody who made us all feel better during those difficult times. Please let us know if there is anything we can do for any of you. She had a special place in our hearts and we are truly sorry for your loss.*

“ Dear Julie and Jennifer:

We are deeply saddened to learn of Joan's passing away. Saty had worked closely with Joan, and had shared discoveries and woes with her and other colleagues. She was ready to listen, eager to help and willing to "smile because the world will smile back" at you.

We pray for peace for Joan, and strength to you while time is attempting to heal your sorrow.

“ Dear Family, I am so sorry about your loss. I have worked with Joan for the last 10 years. She was like another Mother to me. I knew whenever I had a bad day, I could go to see "My Work Mom" and she would talk to me and make me feel better. I am going to miss her tremendously. Our Birthday's are 10 days apart and we celebrated by going out to lunch or dinner every year. It is really hard to swallow the fact that she is gone. Take comfort in knowing that she is watching over us now and may the wonderful memories of Joan's love be with you and comfort you in this time of great sorrow.

“ Julie and Jennifer,
I was very shocked to hear of your mom's death and so sad for her family. I knew your mom since the 3rd grade at Most Pure Heart School and through our years at Hayden, and many years after Hayden we were friends and shared our laughter and our tears. She was always so upbeat and positive, and had such a great sense of humor. I admire her so much for finishing her nursing degree late in life. I live in Florida now, or I would be there tomorrow. I saw her last March while visiting in Topeka. My thoughts and prayers are with you at this sad time. Sincerely, Judi Berry

“ To All of Joan's family. I was so shocked and saddened to hear of Joan's passing. I will always cherish the times we vacationed together in Venice, Florida (the shopping for her cute clothes and our fun times at Sharkey's on the Pier). I am so sorry she had to suffer so greatly from her pain the last few years without any real answers or relief. Our thoughts and prayers are with you all. Love, Jerry & Wanda

“ To Joan's entire family....I am so saddened to hear of Joan's passing. She had a great smile and her laughter was contagious. I worked with her directly for several years at Medicare and not so directly now but we talked recently and she told me she was doing much better and wanted to do lunch. Unfortunately we won't keep that date but you should know we would be talking about her love for her family and the joy you all brought to her. She was a wonderful person and I will miss her. The memories you hold in your heart are God's gift to you....cherish them.

“ Dear Family, Joan and I worked together for many years at BCBSKS. We traveled together and talked regularly about work and family. I am deeply saddened by her passing. It seems like yesterday that we were traveling to workshops together. I can still hear her laughter. Joan was a wonderful person to be around and truly cared about others. I will miss her greatly but I know she is in a better place and no longer feels any pain.

“ Dear Family,
My two roommates and myself moved to Trianon one year ago, and we were lucky enough to live 2 doors down from Joan.

I didn't know her that well, but I did get to experience her kindness and compassion a few months ago after I had suffered a fall and broke my knee. She was always asking if I needed help and was always there helping me get in and out of the car, when needed:)

I am so sorry for your loss, please know your family is in my thoughts and prayers.
