“ Dear Emily, Martha, Teresa, and families,

Your dear mother worked with me for so many years at USD 501. We had long conversations about families and much more. I'm so sorry for your loss and apologize for not knowing about the funeral. My own dear dad was requiring a lot of care, and passed away the same year. I hope you re-read these memories and know that your mom played such a positive role in my life. She was a wonderful person, and I have missed her in my life. Hugs to all of you, and I will watch for her in the stars.

Love to you all,

“ *I am so sorry for your loss. It was always so pleasant to bring Joan Holy Communion. She was always gracious and grateful. It was my joy and privilege to be present at her funeral liturgy and was touched by the eloquent eulogy delivered by her grandson. May she now rest in peace,*
