“ *I would like the family to know how much we enjoyed taking care of Joann during her illness and how she was such a pleasure, never demanding , always grateful. She was a very nice women and always had such a positive attitude. It is the patients like her that remind us daily why we do what we do each and every day. Thank you for sharing her during this tough time in all of your lives. We will all miss her.*

“ *I enjoyed working with JoAnn at KCC, and she was always cheerful and kind to me. The last time I saw her, she came out to get some help on an art/craft project, and she told me about Marvin and the fire, and her illness. At the time, we were going through my son, Grant's cancer treatments, and JoAnn gave me alot of support, even with all her struggles. She sure was a terrific person.*
