“ *I was so sorry to hear about Jodie. My thoughts have been with you all. I will always remember the kindness she showed me when I made the move to Wichita to nurse's training. She made it so much easier to adjust. She was always a joy and I regret losing touch with her. You are all in my prayers. Sincerely, Karen Connor Kaufman (Your cousin)*

“ Carol & Robb, I was saddened to hear of your loss. I will keep your family in my thoughts and prayers. At times like this, it always helped me to remember that the beautiful rose has not gone away, it has simply grown through the fence to where you can not see it... it's beauty has not changed, just it's location. God Bless.
