

John Brooke

June 8, 1947 - March 25, 2024

With family at his bedside, John D. Brooke, Jr., 76, of Topeka, Kansas passed away on Monday, March 25, 2024.

Born in 1947, to John “Jack” and Ruth Capeless Brooke, he was the oldest of 11 children. He attended Hayden High School and married his high school sweetheart, Sally Gay in 1967; they shared more than 56 years of marriage together. They had three children, Tracie, Toby and Taryn, daughter-in-law, Gulhan, and two grandchildren, Kelsey and Melodi.

John served in the National Guard, worked for Santa Fe Railway and retired from the Kansas Gas Service after 34 years.

He coached boys’ baseball, girls’ softball and girls’ basketball until the girls were taller than he was! He enjoyed attending theatre to support his daughters’ and granddaughter’s performances. He attended his children’s and grandchildren’s sporting events in every sport in which they were involved no matter in what town or state the game was being played.

John volunteered for years at Corita’s Corner Sandwich Ministry to make sandwiches for those in need and he was a member of Mother Teresa of Calcutta Catholic Church. He loved hosting family get-togethers, “flying” the turkey he would prepare for large Thanksgiving meals, grilling and playing ball

in the yard. John always loved being there for his family.

John and Sally were members of the Topeka Ski Club for more than 46 years and loved many family vacations in Colorado. In summers, they had many good times jet skiing at Lake Perry. John loved fishing with his son, brothers, nephews and buddies.

As empty nesters, John enjoyed all his friends, looked forward to breakfasts with retirees from the gas company and playing golf. He crossed items off his bucket list, including skiing the Alps in Austria, joining his daughter in Rome, exploring Ireland with his wife and seeing the 2022 Kentucky Derby in Louisville. He loved experiencing the Cooperstown Museum with his son and grandson and unexpectedly, meeting the retired Royals Baseball player, George Brett, while on a trip to watch his grandson play in a baseball tournament. He was an avid K-State, KU, Royals and Chiefs fan who loved to watch the games with family and friends!

John will be greatly missed by many. His survivors include his wife, Sally Brooke; children, Tracie Brooke, Toby Brooke (Gulhan) and Taryn Brooke; grandchildren, Kelsey Brooke and Melodi Brooke; siblings, Carole Shapiro (David), Ruthie Droste (Dan), Sandy McGill (David), Susie Schell (Gregg), Janice Brooke and Michael Brooke; sisters-in-law, Ellie Brooke, Sandy Brooke; and brother-in-law, David Eberhart; 19 nieces and nephews and 19 great-nieces and great-nephews; and many cousins.

John was preceded in death by his siblings, Danny Brooke, Barbara Eberhart, Jimmy Brooke and Cathy Whitaker.

Visitation will be Friday, April 5, from 4 p.m. until 6 p.m. at Kevin Brennan Family Funeral Home, 2801 SW Urish Road, Topeka KS 66614. Mass of Christian Burial will be celebrated at 10:30 a.m. Saturday, April 6, at Mother

Teresa of Calcutta Catholic Church.

Inurnment will be at 1:30 p.m. at Mount Calvary Cemetery.

“ *When you hear the expression "heart of gold," John truly did have a heart of gold. He always seemed to quietly show up when someone needed something. No matter what the task he would have a smile on his face and just get it done. Not wanting anything in return.*

I'm lucky to have so many fond memories with him and Sally. It didn't matter what excursion we were on, it was never boring and laughs were always had.

My thoughts are with Sally and his family. He will be greatly missed.

“ Sally and the Entire Brooke family, So sorry to hear to John's passing. What a great person and a friend to many. My first day at the Gas Company in 1986 I was in his crew along with Danny Pritchard. It was the beginning of a friendship for years. May you find comfort in knowing he touched so many lives in a positive way. Peace and Love. Emil Ramirez.

“ I’m not sure where to start, so perhaps my earliest memory will suffice. I’m not sure how I got picked to be the ring bearer for the wedding because I had plenty of cousins and older brothers so I felt pretty cool. I remember having to stay after the wedding for pictures and although I was raised not to complain, eventually I got so hungry that I said something to Uncle Petune. 😊 soon enough I had a ham sandwich and us kids were having foot races out front of that small house. 😊 enough about me... I’m trying to remember if John ever missed one of the Gay family reunions, I know that Sally had to a time or two yet John always was there and was a member of our family regardless of bloodlines. He was always cheerful and quick to laugh . Sally was the perfect match as their long marriage bears out. He will be missed, but fondly remembered and his faith has now been rewarded. God bless you all, The Kurt Gay family

“ *My Uncle John was a kindered spirit. He was so gentle and kind... even as children he treated us as if we were so important. I'm so blessed that I got to spend a few days with him this past year and what an amazing man. My Aunt Sally and him were the perfect pair. God knew what each one needed. He will be greatly missed*

Bobo's Drive In was a special place where Dad asked Mom to marry him over their lunch break. I had a good time going back there with the two of them, after 50 years of marriage. There must be something in the Bobo's onion rings.
