“ I have known JP for 57 years. We went to grade school junior high together. JP was probably the best all around athlete to ever come out of Potwin. Many days playing basketball and whiffle ball on the grounds of Potwin school. I can't tell you how many times I was doing something with JP be it sports or over on Franklin Street along with Cruz Deltoro. My funniest times is when I told John I could catch him pitching. Now anyone who knew him knew he could throw extremely hard I was eleven so he was fourteen. He said know I don't want hurt you but I messed with him till he agreed. You know what happened next the ball hit the top of the catchers mit and hit me in the chest knocking the wind out of me I thought I was gonna die. We still laughed about it 50 years later. Love ya JP rest in peace my friend.

“ To say that i was absolutely shocked to hear of JP's passing is an understatement. He was the joy of my day picking up labs from our office, he would sit and talk to me about his daughter's softball and what teams she was looking to maybe join he was so very proud of her, you could see it on his face when he would talk about her. I felt highly invested and was so excited to hear about what she was going to do next. I'm so very sorry for your loss. He is now Your Guardian Angle, may he rest in Peace.

“ JP will always be remembered as a fun and caring man. He had nick names for people. Mine was “boss lady”. St Francis couldn’t have asked for a better ambassador throughout the years. He was in daily contact with much of the Topeka medical community through his work. Rest in peace friend. Your smile will stay in our hearts. Condolences to family and friends.

“ I was so shocked and deeply saddened to hear the news of JP’s passing. My heart goes out to your family during this difficult time. JP was a special person, and I always looked forward to his cheerful attitude and smiling face each day I worked at the hospital. JP always called me “CAP”, which was short for Captain. Sending my deepest sympathy to all of JP’s family. You will be in my thoughts and prayers.
