“ Sandy and family,
I am so sorry to hear of John's passing. No words can help at this time but I hope the many years of wonderful memories will sustain you all during this difficult time and all the days ahead.
John was a classmate at Seaman High School and while we didn't hang in school, like everyone else, I knew him and counted him as a friend. In years since his friendly smile at reunions was always a welcoming site! I always enjoyed seeing him and getting to know you.
May you find solace knowing his kind soul is resting in love and peace. My prayers are with you and your family.

“ Sandy and Kendall family; So sorry to see John has passed away. He was a very caring and gentle person and you both are one of my oldest friends whom I have known for about 50 years. I remember when I was married to Chris and I would come over several times a week and we would play board games and just talk. I have also enjoyed staying connected through our Christmas cards and looking forward to them every year and what was going on with the family. Condolence to the Kendall Family.

“ Sandy, David, JAK, and family. I'm sorry for the loss of John. A quiet man, he was always quite interesting to me as a young boy. I always thought he appeared to be much wiser than his words he rarely ever spoke. I considered him a thoughtful man and kind hearted. Your family was truly a blessing to me and I enjoyed those years when we were neighbors. I remember most how the legos were spread all over the place, and we would have hours of fun. I pray that through this challenging time you would be able to find comfort and peace.

“ I have known John since I was 10 years old when my family moved out north into “the neighborhood “. Like Ann said, John was a kind and gentle soul. He was my neighbor, my classmate, and a friend. It was the best neighborhood to grow up in. So many families with kids. There were the Kendalls, the Apitzs, the Paters, the Essmans, my brother and I. Others too. We had so much fun playing baseball or whatever game outside every night until dark. All the yards kinda ran together, no fences. We had so much fun together. I also remember hanging out at the Kendall house with Ann and her sisters. We liked talking to John’s mom Paula and playing with his beautiful little sister Carey. Paula would load up all us kids in an old bus (school?), and take us to lake perry swimming beach many times. Quite the adventures! Those were different times of course. I was shocked and saddened hearing of John’s passing. Didn’t know he was even ill. My heartfelt sympathy goes out to all the Kendall family. Rest in peace John.

“ Dear Kendall family, my thoughts are with you at such a difficult time.

I also attended North Fairview Elementary School with John. He was always a kind and gentle soul.

We all could always count on him to be fair and good at whatever game we had going on in our neighborhood field. He was frequently chosen first for a team and --me, closer to the end of the team-choosing list.

I always felt such joy upon seeing John's face at the high school reunions, due to his warm smile and kind words. Upon meeting John at a reunion, my husband's words were, "your friend John seems like such a nice guy."

Moving forward there will be excruciatingly tough times, keep all your special memories in your thoughts. Love to all of you. Ann

*I went to N.Fairview with John and he was a great friend. I taught him to play chess at recess. While I was pitching in a Cosmos baseball game , John (1st base) called timeout ,came over and whispered , " Jabber ,jabber,jabber." I 've missed John for a long time. Monday night ,however, John and Mark Reed were in my dream. Now ,I think it might have been real. I have to believe that everyone who knew him was better for it Rest easy ,old friend.
