“ *David, you and your family are in my prayers. I always thought it was pretty cool of your dad to let us swim at the Fairlane Apartments on a really hot summer day! I'll be thinking about you...*

“ *It is with prayerful concern that I convey my condolences to the entire Morrissey family during this period loss. I hope that we all find comfort in the knowledge that the greatest tribute to Mr. Morrissey's life and memory is not this list of condolences or the funeral services that I am sure were touching and befitting. Instead, the greatest tribute to his life is the host of children and grand children who personify a legacy of family, love, and kindness. I know this because I know David. God bless you all as you remain in my thoughts and prayers.*

“ Dear Mrs. Morrissey and Family

*Please know the kind thoughts about your family I felt when I seen Jack's name. My family lived down the street from you all and I remember the gentle kind man that Jack was. I remember the scout meetings in your home when I was young and remember the kindness that was shared.*

*God Bless*
