“ Missed greatly but never forgotten. I met john many many years ago through one of his or should I say our dearest friends RICKY C. they always had fun and always created great memeroies. John was a great man and will be missed by everyone. To the family and friends that he had to leave so early take peace in the memories you have and remember The Lord really needed him for something spectacular that we never understand..

“ I had the pleasure of working with John at Sprint for about 2 years. He was a great guy to work with. I met him in 2011, when he started working in my dept as a contractor. He was really good at what he did, so when my dept had multiple openings for full time employees, he was one of the first people I contacted. He will definintely be missed at the office. - Matt Samario
