“ *John was a favorite among many of us at Brewster Place. I am glad he wanted Lamb for lunch as several enjoyed it and it is still on our menu. His spunk brought us enjoyment. My prayers are with all of you.*

“ *Mark, I was so sorry to see your father passed away. I missed him terribly after he left BP as he reminded me so much of my Dad --a little stubborn and he wanted to do things his way and in his own sweet time! Yet at the same time his puppy dog smile could melt your heart. I miss his stories. I also miss your visits to check on him. You did him proud. Prayers are with you and your families. Lea*
