“ To Nancy, Austin and Haley and the entire Seiss family.

*I was very sad and shocked to hear of the sudden death of John. Please know that our thoughts and prayers are with you at this difficult time.*

*I don't remember the last time I saw John, but I do remember him during our high school years. He always seem to have a smile on his face. I remember him during our great boys basketball season, and going to state. From what I have read, John will be missed by a lot of people because of his good nature and his willingness to be a friend to anyone.*

*I hope you will get comfort from God during this time.*

*Our deepest sympathy,*

“ To the Siess Family: Our sincerest sympathy. John was great fun through the years I've known him. He was especially dear during some tough years when we lived in Emporia. Thanks to John for being my computer guy & a good listening ear, too! We worked next door to each other in Emporia. Again, our sympathy to the family. He's in our thoughts and prayers. “ It is with sincere sadness and condolences I send my sympathy to Nancy, her children, and the entire Siess family in the loss of John. I have so many fond memories of John his senior year at B&B which was my first year teaching and coaching the B&B Falcons in 1980-81. I wrapped John's ankles every day before practices and games, and it gave us a few minutes to visit each day. Small talk mainly, but enough time to build a connection that has lasted over 25 years. John was our star quarterback, our leading scorer and rebounder on extremely successful athletic teams at B&B. He was our leader, and we as coaches trusted him. He was ornery, and always had that sly smile. He was quick with a joke and a little "jab" to make everyone laugh. As a young coach, I thought John Siess was the greatest. I experienced successes at state basketball tournaments and state football playoffs through his athletic ability. Whenever John and I had a chance to visit we would laugh and talk about the "old B&B stories". I will miss John, he was one of the best in B&B athletic history. Once again, I extend my condolences to the entire Siess family, all of you are in my thoughts and prayers. Loren Feldkamp
