“ *Dear Colleen and family,
I am so sorry. Jonathan was such a good person. I am so thankful
to know him. We so appreciated his help during Jim's illnesses. The
times he and Julio came over to help get Jim off the floor, or
shoveling snow. I am so thankful to have you as neighbors. We are
all so blessed by knowing Jonathan. You are in my prayers. Mary

This is truly heartbreaking. I only had the pleasure of meeting John this last year when he came to Water plant but in that short time he made such a lasting impact with being such a great and wonderful person. Our deepest condolences 🌸

I am so saddened to hear of Jonathan's passing. I checked him in many times at St Francis and he was such a kind soul. He gave me a little penguin that I keep on my desk and have now named him "Jonathan". Will miss his beautiful smile. Praying for Colleen and the family.
