“ *Denise and family,  
I was so sorry to hear that Joe passed. It has been a long long time since Krissy and I watched the moving van go down the street, but you were all a very special part of our lives.  
Our thoughts and prayers are with all of you.*

“ *Joe's family and friends are in our prayers during this difficult time. Joe was ALWAYS a joy to see at the bank and we will miss gathering dollar coins for him and chatting with him each week. He always spoke so highly of his wife, children and grandchildren and our hearts go out to his entire family. He will be missed.*

“ I have known Joe for over 20 years through his job as our chemistry analyzer service technician. He was very good at his job and we always appreciated him! I always enjoyed visiting with him, also. He was one of the good guys...he will be missed. Sincere sympathy to Joe's family.

“ Joe was our service engineer at Morris County Hospital, Council Grove. I always enjoyed Joe's visit, talked about his coin collection the last time he visited. He was a good man and will truly miss him.

“ Denise, Denise and Kevin:

*Don and I were so sad when we saw the announcement of Joe's passing in today's Daily Times. There isn't a time that I drive down Cherrytree Road that I don't still think of you guys. And we still laugh at some of the funny times at your house with Zach, Timmy and the rest of the bunch. Please accept our thoughts and prayers during this difficult time. Take care.*
