“ Kathy and I were sad to hear about Joe. Our thoughts and prayers go out to you Judy and family. He was special to us. I was in the Naval Hospital in Chicago with Joe. There were 5 of us Hayden graduates there, Joe, Larry Barnes, Dick Bond, Jim Gartner and myself. It was nice having guys we recognized from home. We did go out a few times together and had some fun. An important time in our lives. Judy and Joe were across the hall at Saint Francis with a new baby as we had a baby girl October 19, 1976. Memories!

Joe was an older cousin and he was my idol . He came back from Viet Nam and never complained a bit . I achieved so much joy watching him play football at Hayden High . I wanted to be just like him . So sorry that he is gone .

To Judy, my best friend and classmate at Hayden. Judy and Joe were both my classmates and we graduated in 1964. Joe was a precious, good looking guy and all the girls wanted to date him. I remember him coming to my locker asking me about Judy since we were friends. Time brought them together as husband and wife. I send my love and prayers to the entire family on both sides. Joe will be missed but all the memories will be pages pressed between my mind. May eternal rest grant unto him O Lord and let perpetual light shine upon him.
