“ *Dear Family,
Just want to offer you my condolences on your loss of Joe. Although we had little contact in recent years Joe was a good friend of mine. Our association goes back to his Victory Life days when I worked with him and the company on their banking needs. Joe was an upbeat guy and I loved his sense of humor. We had a lot of good laughs and we worked in some serious discussion also from time to time. Our values in most areas were very similar. One of the first things he did when the family moved to Topeka was invite me and my family to his home for Thanksgiving dinner. That says a lot about the kind of guy Joe was.*

Please know that Joe and you all are in my and my wife Mary Jo's thoughts and prayers.

Sincerely,

Bob Bergkamp
