“ Our thoughts and prayers are with you at this difficult time. We have very fond memories of Aunt Jody. We are so happy for getting to know her and spend some time with her and Glen and all of our cousins. Aunt Jody was a wonderful person and example for all of us. She was very strong spiritually and we know that she is in a better place reunited with her parents and brothers. She was such a good person and she will continue her work in the afterlife. We find comfort knowing that we will see her again.

“ Susan and I send our heartfelt sympathies to Glenn and the family. I always found Jody to light up a room with her presence and rarely have a bad word to say of anyone. She will be remembered by us both.
