“ There was no-one quite like Josette. She was one of those people who had a way of talking and relating that both shocked and delighted. I will always remember how she embraced movies, cats, and people. With Gary not too many years ago, the couple reminded us of a Hollywood couple. A life of vim and vigor: tragedy, romance, and comedy all rolled into one. We will miss her and send our love to the family. Alice and Lee

“ To a very special individual:
The world was graced by Josette Duncan. Her charisma, style and fervor made her unique. Whether regaling groups with her Hollywood tales or daring individuals to enjoy life to the fullest, she never failed to inspire. Happiness succeeded the trouble with Gary by her side. Their kindness and love has been significant in my life. For the laughter and the tears - thanks for the memories. I think of you all the time and smile. Keep being the fabulous woman you are in the next life.
Love, Miriam
