“ *Sending my deepest sympathies to the whole family. Judi was my “work mom” back in 1988-89 when I worked with her at Bank IV. Over the years I have had so many thoughts of her over the years from that short timeframe. She always had such a collection of heels stored in her station. I never knew how she could stand in them all stinking day! I don’t know why, but today I googled her name wondering if I’d find anything out there and found this. Oh that lady, such a sweetheart! I know you all will miss her dearly.*
