“ *Grandma Judy was the only person in my life I felt truly loved me. she was always there when my mom and dad split she was my rock when my dad her son brett walthall constantly let me down making me question is any of this worth it why does he hate me so much she would always hug me tight and remind me I'm a better man then him and am more loved and blessed then I'd ever know. I wish you had seen my wife and how you 3 amazing grandsons grew up to be pretty awesome kids. I miss you everyday and would give the world for one more day with you. Love James rodney walthall*
