“ *Writing to Judy's family on behalf of Jean Jones. Jean is a resident of Brewster Place and cannot do her own writing.*

*School teachers they were together at Topeka High School. Though their classrooms were at the opposite ends of the building, Jean recalls they managed to get together often.*

*Judy drove Jean to western Kansas one year for the Teacher of the Year presentation. Judy made the speech for Jean's receiving the honor. Jean tells that story with a big smile on her face.*

*"Always there when I needed a friend" was the first comment Jean said when I asked what I should be writing to her family about Judy. There's nothing better than friendship to last a lifetime.*

*Jean sends her love and prayers to the family.*

“ *Judy and I were friends for 34 years. Ups, downs, jobs, families, money, health, politics, you name it. It's hard to lose her as a friend. "Let me know how I can help" were the words most often out of her mouth.*

“ Judy was a fantastic person. We met her through my sister, Beth Bohnert, and can truly call Judy a "true friend". Many times when our folks were still with us, Judy and Dad would go "garage saling" on weekends when they were in Topeka, Judy said that Dad's car never missed a garage sale and you never knew what they would come back home with. Judy & I spent a lot of time together shopping, and she always knew just what was needed for everything. She even let me borrow a dress one time just so I could go to a 50th anniversary party with her for the folks who lived next door to her and I had just come down to Topeka for the weekend to shop & visit with Beth.

Judy was at our home for several Christmas's with all our grandkids, and they really enjoyed her too. She was a great friend and confident to all of us. SHE TRULY WILL BE MISSED BY ALL.

Our thoughts & prayers are with all of you at this time.

Gregory & Janice Meyer & family - McPherson KS

“ Judy was a wonderful neighbor at the Trianon who looked after everyone. She had a beautiful heart and spirit. I will never forget her kindness to my mother when they were neighbors. Judy will be long remembered in my thoughts and prayers.

*In sincere sympathy to the family*

“ I had Ms. Cromwell as a social studies teacher at Robinson Middle School. I will never forget her enthusiasm while teaching the class to dance the Charleston. Please know that Ms. Cromwell left a lasting impression in the lives of her students. She will be greatly missed.

“ I am so sorry to hear about Judy's passing. I have worked with her on the Kansas Council for the Social Studies State board since the early 1990s. Judy was an integral part of our organization and made many important contributions over the years. Conference registrations are not going to be the same without Judy there checking and re-checking her lists, nor will our board meetings be the same without Judy's food or desserts. She fed us a lot of meals over the years. She is going to be dearly missed!

*My thoughts and prayers are with you.*

*Sincerely,  
Darla Mallein
