“ I went to school with Juli at Central Park and THS and I have great memories of her. In 6th grade, I said something I shouldn't have to another girl in our class and even though she was probably 3" shorter than me, Juli caught me, threw me to the ground, sat on my chest, and made me apologize. We were friends in high school, even dated once, and often laughed at that story. I haven't seen her since our 40-year reunion at THS, but know the world will be a little colder without her.

“ Brian, Janelle and Kay.... There are no words to express my condolences to your family. Jewels...it goes without saying how much she loved her family and her loyalty as a friend. Her stature was small but she was larger than life!!! We met over 30+ years ago and there were so many good times!! Playing pool together, working at the casino together, all the birthday parties, I could go on and on! It took my breath away when I heard the news....I will never forget her and will think of her often. I pray that God will comfort you all in what I know is a difficult time.
