“ *When Mike Keahon called me and told me about Julie, it was indeed a sad day. Mike(Margaret knows Mike)called me because as we are getting ready for our 40th class reunion, one thing I said to Mike was "to find Julie."*

When Julie and I were seniors at Brophy and Xavier, we would collect money from the freshman to buy their beer and smokes. We charged extra and that paid for our drinks for the evening. Julie was a beautiful and sweet person with a great laugh. Talk about the one that got away.....

*I recently moved back to Phoenix from Overland Park. I wish I had known Julie was so close.
May she rest in peace.*

“ *My sincere condolences to the family. May you find comfort in your loving memories, and in knowing that God is "near to those that are broken at heart; and those who are crushed in spirit he saves." (Psalm 34;18) Our loving Creator has promised to soon "swallow up death forever...and wipe the tears from all faces." (Isaiah 25;8) I offer my deepest sympathy.*
