“ *I worked with Julie for approximatly 2 years as the manager in her previous home. Princess O'Day, as I began to call her will be missed by all who had the opportunity to know her. Julie was a wonderful young lady, but you had to earn her respect. And she commanded your respect of her in her behavior. She was truly royalty and she knew it. God Bless you as her family in your time of sorrow and rejoice in the fact that she is now with her heavenly father*
