“ *Kandy was a woman who loved her children and grandchildren greatly. She had a contagious smile, and was very warm and welcoming when I met her the first time. My husband, Tony, is her brother. He was very thankful to have some special times with her, even though they varied in age so much. Prayers for her family as they mourn their mother and grandmother. Love and prayers. “ *Sorry to hear that your mom has passed. I worked with Kandy for many years. She talked about her family and grand children, and always had a smile upon her face while remembering things her children did growing up. My prayers and thought's will be with you and your families in the days ahead. Just remember she will always be with you in spirit, and she will never be forgotten. May the good Lord rest upon her shoulders, and guide her family.*

“ I worked with Kandy for 14 years at Frito Lay.
It was my first job out of college and she was my mom away from home. She gave me advice that was to the point and real. I learned many things from her. She always talked about her children and her husband.
She will be missed by many.
