“ *There is little anyone can say to make things better right now. You have lost your Mom too soon and my heart goes out to you. I hope there is some comfort in knowing that so many are holding you close in thought and prayer through the days and weeks ahead.*

“ Dear Kelly,
So sorry to hear about your Mother. I always told her she was my favorite cousin, and she was. I always loved coming to Topeka to see your grandparents and Karen. Then when they would come to Missouri, we always had good times usually going fishing. Somewhere there is a movie of your mom and my brother Weldon doing their Marilyn Monroe and Elvis dance on top of a picnic table. They were very young and about the same age. We will all miss her.
