“ I don't know where to start. Kathy was one of my dearest friends. She guided me, listened to me, loved me and my children unconditionally for many many years. We would take lunches and chatter away, she loved mexican and chinesse food. She was honest and straight forward. She was a true gift and blessing in my life. She helped me thru sooo many of life's dilemas. She was very proud of Craig and the young man he is becoming and how tech. smart Jay is. She told me when she retired she was going to keep working but volunteer at Doorstep or some place like that. I could go on forever. I will miss her hugs and I love you's despratly. My deepest thanks to God and her family for sharing her with me. xoxo Gayle, Rebecca and Ryan

“ I am so sorry to learn of Kathy's death. She was my roommate when she first came to Junction City to teach. She was such a soft-spoken kind person. I remember how much she loved singing and what a beautiful voice she had. She also loved dogs and she had a little long-haired dachshund when she lived with me. Please accept my sincerest condolences for your loss.

“*Kathy was the calm in the eye of the storm; I was the naive student teacher across the hall at Jefferson Elementary, Fort Riley, Kansas. My supervising teacher was all of the things a teacher should never be, but right across the hall, Kathy embodied all that was right and good in teaching fifth graders. With absolutely no doubt in my mind, it was Kathy who encouraged, mentored, and understood a frightened college kid. Over thirty years later as a teacher, I am still using some of the lessons learned from this lovely woman. She taught me to still love the kid and to deal with the behavior. She taught me that some of the most important teaching has nothing to do with content, but rather with the heart of the child. She taught me that I could make a difference....daily. To Jay and Craig, please know that our thoughts and prayers are with you, and even though we are deeply disappointed we can't be there physically, we are there in loving heart and sympathetic soul. To her church family, and knowing what she gave of herself, you will be held up, too, as you deal with your loss.*

“*Jay and Craig, Kathy was one of the first people I met at SWUMC over 15 years ago. Her smile (and hugs) were there for me every Sunday and I won't soon forget her kindnesses. She reflected Christ in her attitudes and service and I am a better person for knowing her!*

“ I wish to offer my deepest condolences to the Stevenson family in the loss of your loved one. I didn't know Katherine, but I do know how hard it is to lose someone you love in death. So I hope that reading Acts 24:15 will give you some comfort for it says "there is going to be a resurrection" and you can look forward to seeing your loved one again. And may the God of tender mercies continue to bless you and strengthen you through this very difficult time.

“ I have been thinking about how Kathy has touched the lives of me and my family. She started the first children's choir at church, and my two daughters, Jamie & Kelli, sang in that choir. Kathy played for Don's & my wedding in 1993 and directed the choir, which also sang a song at our wedding. I enjoyed playing piano and singing with Kathy for the last 25 years. She was truly dedicated to music and to the church. We will really miss her. Jay & Craig, you are in our prayers.

“ Jay and Craig,
I fondly remember Kathy as we led the cub scout den so many years ago. Although we had not been in contact over the years, I will always remember her friendly and caring personality. May her memory be a blessing.

“ Dear Friends,
Kathy was such an important part of lives, we will truly miss her. I will never forget how she helped with my Dad's funeral service and how kind she was to Bob's mom when she was not able to go to chimes alone. She will be missed and we are grateful that she was a part of our lives. Let us know if we can help in anyway.

“ Jay and Craig,

There are no words express how I feel. Kathy was such an important part of my life, as well my girls (Alayna & Laura), that she will never really be gone.

We are all so blessed to have known her. Please think of that in the days to come. She was one very special person and everyone who met her had to walk away a better person.

There was no person better than Kathy!

My love to you and Craig.
