To the family of cousin Joan, I am so sorry for your loss. I always called her my Aunt Joan and she was a very kind, compassionate and wonderful person. I loved your smile and sparkling eyes that always made me feel so loved by you. I remember as a young child going over to your and Marion's house a lot, Judy was younger than I was but we had so much fun and I will always remember those great times. I love you and will miss you.
