*Just leaned of your mother's passing. I remember staying over at your home some nights. She would make me feel right at home and comfortable in your family. Sorry I did not know about the service in Nickerson in time to attend. My prayers are with you and the rest of the family.*

“ *To Larry, Susan, Tom, and all the rest:*

*What a family they were, Kathryn and her brothers and parents! And how lucky are we that they're not only part of us physically, but that all we have to do to enrich our own lives is to sit and remember who they were and how they lived.*

*I'll always remember Aunt Kathryn's straightforward attitude, sense of humor, and total ability to handle any number of houseguests, of any age. All my love and best wishes to everyone able to attend the services, and I'll be there in spirit.*

“ Dear Susan and family,  
I met Kathryn when I joined P.E.O. Chapter FJ in 2000. She was one of the most hospitable members of the group and I recall gratefully her gentle spirit and down-to-earth friendliness. She was appreciated by everyone for her encouraging words and admired for her strong, positive relationship with Susan. One of Kathryn's lovely painted ceramic miniatures is in my kitchen (her gift) and I think of her when I see it each morning. In many ways, Kathryn reminded me of my own mother, who has been gone for thirteen years now. Both woman were ladies in the best sense of the word. With sympathy,
