“ *Dan and family...I was so sorry to read of Kathy's passing. I enjoyed getting to know her and your family during my time at Pauline Central and running into each other at ballgames. She was so devoted to her family as you are. I know the Lord will bless you because of your devotion to her during the difficult times. My thoughts are with you and the girls.*

“ Thank you for sharing your love and lives with me. Kathy taught me to listen, and to pray more, and to be brave through tough times. She could cheer me up with one simple word or with her beautiful smile. Everyday now I pray for God to bless you as he has blessed me by giving me my friendship with Kathy and all of you. And I thank him for your gift of friendship's of shared joy and the sorrows. You all are in my thoughts and prayers. YOU ARE MY FRIENDS. I believe that friendship is one of God's best gifts. Kathy will always be with me and she was the best sister anyone could have. I thank God that she is in a better place and that we all have her watching over us. She is just away and we will all be with her some day. Thank you for letting all of us at Plaza West care for such a beautiful woman. May the Lord show kindness to you as you have shown to me. I love you all.

“ *Dan, Kacy, Jana and family, thank you for letting me be a part of your grieving Monday. I feel like our families have a special connection because of our mutual Plaza West experience. I know you will miss Kathy, as we continue to miss Dad, but I know the Lord will comfort you in the days ahead. He is faithful to His children and His promises. He will not leave you comfortless! I pray the Lord will bless you with His sustaining peace.*
