“ *Kathy worked for me as a secretary one session when I was in the State Senate, quite a few years ago. I think Molly was 6 years old at the time and she was the definitely the light of Kathy's life. I was so sorry to hear about Kathy's death. I hadn't seen or talked to her for quite a few years. She was a really bright woman who at the time that I knew her had definitely dealt with some obstacles in her life. I remember that she was a good writer and I especially remember how she loved her daughter Molly.*

My sympathies to her family,

Nancy Parrish
