“ My heart and deepest condolences are with all of the Evans family today. For so many years of my youth Keith was just like a second brother to me. His effectuous grin and that cool little MGB that he was forever working on are what I remember most from our childhood together. Rest in Peace, Keith and hugs of strength and love to all of your family.

Sincerely,

Kristie (Danenhauer) Newnham or as Keith would say "Kri-Kri"

“ Dear Cindy and family,

I was deeply saddened to hear of the death of Keith. He was very courageous in dealing with his health problems over the last several years. He was truly a wonderful person who was always willing to help others. I first met Keith with the Boy Scouts. He was very active with the Scouting movement and went out of his way to do the extra things to make the Troop better. He rebuilt the shed door and made camp food boxes for the Scouts. He was a talented carpenter! He was always optimistic and looked for the best in others. My daughter, Lisa, was also involved with the Scouts several years ago and was very emotional over the loss of Keith. He will truly be missed and I'm so sorry for your loss. May God be with you and your entire family during this most difficult time.

“ Our prayers and thoughts are with you all right now! I will never forget all of the memories we had being the best "cub scout leaders" even though we got in more trouble at the camp outs than the kids did! Then we dealt with all those elementary, middle school, and high school years with our daughters with even more memories! We will miss so much my friend! Roush family
