“ *I knew Kelli Huhs from her time in Topeka at Rochester Elementary. We would hang out at recess and tease everyone else about being so short. We even hung out at her house a few blocks from the school. She was outgoing and the type of friend everyone wanted to be like. She had the sparkly pencils in grade school and the height of an 8th grader. :) I am sorry for your loss. Even after all these years, I can still picture Kelli's smile. You are in my prayers during this difficult time. May angels carry you through the heartache and remind you that Kelli is still a part of many hearts.*

Just wanted to let you know we are thinking of you. Wish I had the right words, but I don't. Just know we are thinking of you, and if there is anything at all we can do, let us know.*

“ *I went to school at Rochester with Kelli, and we were friends, even saw each other a few times after she moved to Hutch. I have a lot of great memories of Kelli, even though we were friends for a brief time so long ago. I remember her spiked hair in 2nd grade and how I thought she was so cool for pulling it off. She baked me cookies after my dad passed away, and it was one of the best gestures from any of my friends back then. For the short time I knew her, Kelli was a ball of fun and a great friend. My heart goes out to her family and all her friends. I know she will be missed.*
