“ *I worked with Kenny at Frito Lay, we ran two man team to the Dakota's. I saw Kenny unloading chips in subdegree weather in a short selve shirt, I would tell him he was crazy. He was one hellva driver, never had to worry when he was driving and I was sleeping in the bunk. RIP Kenny.*

“ I would like to offer my sincerest condolences on Kenneth’s death. No matter when a loved one leaves they are gone too soon. Death separates family members and such great loss can result in deep sorrow. While you mourn Kenneth’s death also celebrate his rich life. He will be missed.

Please accept my sympathy and sentiment at this grievous time. God is willing to give you the necessary wisdom and strength for recovery. Jesus even wept when he lost his dear friend. May you have the strength God gives. We love you very much. Just as the sun follows the storm may you get through this devastating and trying time.

*"Although it's difficult today to see beyond the sorrow,
May looking back in memory help comfort you tomorrow".

“ We would like to send our deepest condolences to both sides of the families. We wish that Barbara & Kenny would have had more time to spend together. They were happy and good to one another. Any loss is a heart breaker to everyone, and we will keep The Golder Family in our prayers. May Kenny rest in peace in Jesus's Holy name Amen.
