“ *Dear Teri, our love & sympathy are with you. We have many memories of all the card parties we had years ago. Some of them got pretty crazy! But what fun we had. May God wrap His loving arms around you and your family. Greg and Cheryl Wilkinson*

“ My thoughts and prayers are with your family as you go through this loss of Kevin. I have so many fond memories with Kevin from our early childhood growing up together through school, college, up to recently. Horseback riding on Cricket, milking those wretched Holsteins, "Three Dog Night" concert in Laramie @ U.W., crazy rides in the Corvette, and most recently with our time at the drag races @ Topeka this summer. I have been blessed to have shared in his life. I will miss him greatly! In May he shared with me his relationship with his Savior & I look forward to seeing him again in eternity with our Lord. May God comfort you and his grace shine on you! In Christ, Kim
