“ Had the pleasure of talking with Kirk many times over the years, never had actually met him in person, would have like to though. Both of us being "car guys" our conversations were usually a little about business and then a lot about his truck and my project car. I will miss hearing that "Tom... Tom... Tom...".

Genuine good guy, RIP my friend.

“ Sorry for your loss, Kirk was always talking or listening to someone and one of my favorite cousins. He will be sadly missed at the weekly Cruise Nights and Car Shows.

“ I'm so very sorry for your loss! I worked with Kirk at Lindyspring for many years and thought the world of him! He did such an amazing job helping people! We used to giggle at his funny sayings when he would get on the phone, "turn down the jukebox", "you got the beer on ice?" He was such a pleasure to work with and he will be greatly missed by so many!!

Prayers of comfort, strength and peace for you all!

I never met Kirk in person either. I've been talking with him for over 20 yrs though. He was full of knowledge and would be happy to help with whatever I needed. I've been missing talking to him already. He could be so funny and helped get me out of a foul mood by making me laugh. Prayers for his family. I'm so sorry for your loss.
