“ *Ketsem and I grew up together in Kolonia Town, Pohnpei State, Federated States of Micronesia. We were promised brothers. We attended Ohmine Elementary School and graduated in 1972. He went on to attend Pohnpei Island Central School (PICS) and I went to Xavier High School in Chuuk. The last I saw him in person was in 1976 when we both graduated from high school and he was preparing to leave the island to attend college in the US. I talked to him several times in 2021 and this year. The last time we talked he said he just got out of the hospital. If I only I knew, I would have taken the time to visit him from Washington, DC.*

I was so glad to have gotten hold of him over the phone after so many years after high school. I thought we would meet up soon after so many years. I am so sad to know that this wish will not come true. I will miss my dear friend. Until we meet again, Rest in Eternal Peace my dear brother.

“ *To the family of KR - I was so shocked and saddened to hear of the passing of KR. He was a great friend and such a talented musician. I so enjoyed the years we spent together performing together in Spellbound. He was so easy to work with and such a kind and caring man. He will be greatly missed!*
