“ *Kraig was one of the funniest people I've ever had the pleasure of
knowing. He made me crack up with just a look or a little remark. He
was actually doing characters in high school, that ended up being
done years later on Saturday Night Live by professional performers.
Funny, funny guy. And, very kind and loving and supportive. He
really loved my Grandma and my family, and all the animals that he
and I had through the years. He really was "the life of the party"
wherever he went. Even in recent years as he fought bravely
against his illness. His courage, love and humor inspire me daily.
And, I will miss him forever. He was not just my friend, but my
brother. My thoughts and prayers are with the family. I look forward
to laughing again with Kraig on the other side:)*

“ Those of us in the TWHS "gang" came from wonderful families such as yours. It is there we learned to live life fully, love generously, and never take friendship and family for granted. Kraig honored that legacy and our best gift to you and Kraig is to continue to do so and pass that kind of character on to our children and new friends. May our prayers and thoughts uphold you during this difficult time.
