“ *Sue, Kim and Mike it has been a long time since we left Lawrence but we have lots of fond memories of the fun we had with you guys. We have thought about you often but life has kept us too busy to keep up with old friends. We just found out today about Cowboys passing. Cindy and I can't think of any time in our lives that we had more fun and enjoyment than the times we spent with you guys and the Wiskey River Dancers. David and Cindy*

“ Dear Sue, Kim, Mike and family,
Your beautiful tribute to Larry is so reflective of the love and compassion shared by your close family! As Larry slowly rode into the sunset of his Cowboy life I can just imagine him winking and tipping his hat, especially to Sue, Kim and Mike, saying ; “You did good!!! Remember that I love you and I’ll see you ‘round the bend!” You all did such a fantastic job sharing yourselves and your love with him over many years. May you find a fragment of comfort during your avalanche of pain knowing that Larry is reflected to us everyday in the way you, as a family, live your lives and is carried on in the other countless lives he so obviously impacted! We tip our collective hats and say: “Well done, Cowboy!” We now know for a fact that there are happy horses in heaven!!
Peace and prayers, Peggy F.

“ Dear Sue, Kimberly and Mike,

Larry was very important at TRC in that he was so loved. He will be greatly missed by all the members. I knew him to be such a kind person. I always liked to see his truck at TRC as I knew I could get a chance to chat with him. I've been a member of TRC for just three years but grew to respect and love Larry. He was such a remarkable person.

I handle TRC's website and have posted a tribute on TRC's website. (see below)

My sincere condolences to you over the loss of Larry.

Respectfully,

Charmaine Lucas

“ *To all of Larry's family I send my prayers for added strength for a time like this. He was one of the nephews and nieces that met at the farm to welcome Uncle Jess and Aunt Betty when we came to Topeka to visit. I am sure Larry has already met Pauline, Peck and Uncle Jess and they are rejoicing their pains are all gone now. I want you all to know that you are loved by Aunt Betty!!!!!!*

“ Dear Sue and Kim,

I was so sorry to hear of Larry's death. While everyone is remembering Larry's horses, I'll remember his orange Corvette. That was really cool to a teenaged neighbor.

*My thoughts and prayers are with you.

“ Sue and Kim,
Larry defined Cowboy in all the best meanings. I know his passing
will be a great loss to you, but know that he touched a lot of us. In
addition to his great way with horses, his ability to work so well with
kids was amazing. We're all better for knowing him.
