

## Larry Hughes

April 24, 1944 - September 1, 2010

Larry Tate Hughes, age 66, of Topeka, KS, passed away Wednesday, September 01, 2010 at Stormont Vail RMC from cardiomyopathy. He was born April 24, 1944 in St. Charles, Missouri, the son of John H. and Edith Hughes. Larry was the third of four children and the only boy. Throughout his childhood the family moved around a lot and he never lived far from railroad tracks, as his father moved up the ranks at the MKT (KATY) Railroad. They moved to Parsons, KS before his 5th grade year. Parsons would prove pivotal in Larry's life for many reasons, but most significantly would be his love of athletics and Susan Johnson. When he wasn't involved in some sort of mischief Larry excelled at golf, basketball and football. In his senior year of 1962 he was honored by playing in the All-American game at the Cotton Bowl in Dallas, Texas. He attended Washburn University in Topeka and graduated with a B.B.A. in 1966 and his J.D. from Washburn Law in 1969. Larry learned the value of hard work at an early age. He worked all of his life from an early paper route to working his way through college on the late shift at the Goodyear Tire plant. Fresh out of law school Larry worked for a few firms in Topeka, but struck out on his own for the better part of the next 25 years. Ever the entrepreneur, he was involved in a varied group of other enterprises ranging from a rock crushing operation to a Coors distributorship in Burlington, Iowa. He married the love of his life Susan E. Johnson on January 25, 1964 in Parsons, KS. They had their romantic first date attending a Pancake Feed with her father as grade schoolers. From those humble beginnings the next 56 years would be filled with laughter and tears, but mostly family. They welcomed their first child John H. II in 1964 and followed with Jeffrey Harold in 1970. The boys would be the center of his universe, at least until his granddaughters started showing up. The boys were active in all sorts of sports and Larry and Susie were never far behind. It usually consisted of Larry as the coach and Susie as the number one fan. In later years, he enjoyed golfing with Susie, attending granddaughters' events and travelling with the family. Larry leaves behind his loving wife of 46 years, Susan (Johnson) Hughes; a son John Hughes and wife Stephanie of Topeka, KS; and a son Jeff H. Hughes of Topeka, KS. He also had three granddaughters he adored: Taylor Hughes, Talisa Hughes and Tateum Hughes of Topeka, KS. He was preceded in death by his father, John H. and a sister, Sandra Lenati. Survivors also include his mother, Edith Hughes, Gladstone, MO; mother-in-law, Dorris

Johnson, Topeka, KS; sister, Debbie Hughes, Gladstone, MO; sister, Patricia and her husband Bill Knarr Austin, TX and a brother-in law, H. Kemper Johnson, New York, NY. Memorial service will be at 3 p.m. Friday, September 3, 2010, at Kevin Brennan Family Funeral Home, 2801 SW Urish Rd. Topeka KS 66614. Mr. Hughes was cremated. Private inurnment will be at a later date. Memorial contributions are suggested to Cotton-O'Neil Heart Center, sent in care of the funeral home.

“ *Susie, John, and Jeff,*

*So sorry to hear of Larry's passing. I have great memories of him during the days of basketball at ESU. His humor, smile and laughter were a trademark. He was a fun loving man! Our prayers are with you.*

“ *Susie and Family - I was so sorry to learn of Larry's untimely death and to learn of it too late to attend his service. I had some abdominal surgery on 8/16 and had to stay in the hospital longer than expected to get my very old digestive system working again. Just got home last Thursday and just got the obituary from my mother today.*

*So please forgive my tardiness in sharing with you my special feelings for Larry. I often think the movie "Stand By Me" was about Larry and me and our great adventure of growing up together. Larry was always a very true friend and got me through some tough times with his understanding and loyalty. (It could be said e got me in trouble a couple of times, but that was really probably Jack's fault.) We shared a childhood and youth that was a great adventure. Wouldn't trade a minute of it and love to remember those times.*

*I regret we drifted apart as time passed. The last time we talked was when we shared a work comp case here in KC. Had time for a drink after a deposition and caught up about his pride in his sons and his devotion to you. Even though we hadn't been in touch recently, I am saddened by his passing and miss him.*

*My thoughts and prayers are with you, your sons and granddaughters. Please give my best to Doris as well.*

“ Suzie,

*Carol and I wish to extend our heartfelt condolences. We always hoped we'd have at least one more great meal with you both at Marcelo's. I guess we'll have to settle for offering up a toast to a man who lived life to the fullest and one who we are proud to have called our friend. That he will be missed goes without saying.*

“ Larry was a friend, teammate on the Vikings golf team and a neighbor. When my parents moved to Parsons from Coffeyville, we settled in a house in the same block as Larry and his family. I can remember many moments as a younger kid on the block chumming around with Larry and Jack (Crane), who also lived in the neighborhood. Larry was always kind to me and made me feel like one of the guys. It was good that he was in my life at that moment; I had no brothers or sisters. So, in a way, Larry was like my surrogate big brother. Larry will always be in my memories and that is the best legacy one can leave on this earth....family and friends to keep his memory alive.

“ I am truly sorry for the loss of Larry. He was a very good man in many ways. Larry was part of my core team and someone that I could always count on. I appreciated his willingness to always listen and teach, and admired his dedication. We spoke nearly every day, I enjoyed our conversations and when I was having a bad day he could always make me laugh. He had a well known reputation and highly respected in our industry. I am extremely proud to have known him. My thought and prayers will always be with your family.

“ Larry was a great man...I will miss him very much. He taught me a lot. He was also someone I could call when I needed to vent. He would always say, "ahhh, that's no problem". He was always in good spirits and very much fun to be around, both at work and when relaxing. May God bless Larry and his family.
