“ Dear Jim, Maureen, and Leiker Families,

*I was saddened to read of your brother Larry's passing in the paper today. As you may well remember Larry was my daughter's basketball coach and my son's baseball coach. My thoughts and prayers go out to you at this very rough time in your life. I can truly say I know what it is like to lose a loved one during the Holiday Season, I've been there twice. Cling to all the wonderful memories you have of Larry and the many special moments you shared as brothers. He will continue to live on in your daily memories of him and thus he will always be with you. Remember to look to the Lord for your strength during the coming days and weeks - that's the only way to make it through such a difficult time in your life. If there is anything I can do, please let me know. My prayers are with you.*
